BSG After School Care

BSG offers after-school care, in which the children are supervised by students in Year 10 or above, who have been chosen on the merit of their responsibility and care for younger students.

This provision operates from the end of the school day until 17:00, each day except Wednesday.

Through this programme, a maximum of 10 Primary school students will be looked after in a classroom, or outside when the weather is nice, and kept busy with films, games and books. They may also, of course, use this time to work on homework assigned by their teachers.

Snacks will not be provided by school and should be brought by students.

Parents are requested to pick up their children by 16:50 as the older students providing their care will leave promptly at 17:00. Children whose parents are routinely late picking them up will not be allowed to continue in this programme.

The cost of this service is as follows, and will be billed in advance at the start of each term.

Cost per child per day (1 child per family): CHF 20.-

Cost for two children per day (2 children in the same family): CHF 30.-

If you would like to enrol your child(ren) in our After School Care programme, please complete and sign the form below, and send it to school (in person, by post, or by email to pili.reina@britishschoolgeneva.ch).
